For nearly 40 years, John-Roger has traveled the world guiding people to find the Spirit within themselves, and teaching how to live a healthy, loving, peaceful and rewarding life.

In 1968, John-Roger founded the nondenominational Church of the Movement of Spiritual Inner Awareness, through which he has shared the teachings of Soul Transcendence, which is becoming aware of oneself as a Soul and as one with God, not as a theory but as a living reality.

John-Roger has led groups of up to 150 people on Peace Awareness Trainings throughout the Middle East. His journeys have taken him to such places as the former USSR, Yugoslavia, China, Israel, Egypt, Syria, Lebanon, and throughout Africa, South America, North America, Australia and Europe.

In the late seventies, John-Roger established Network Of Wisdoms (NOW) Productions, which has recorded over 6000 of his seminars, and also produces his nationally shown cable TV show, "That Which Is." Besides his own show, John-Roger appears regularly on television and radio programs (he has been seen on CNN's Larry King Live, the Roseanne Show, Politically Incorrect and many others).

His influence extends into the educational arena, as he is the Chancellor and founder of the University of Santa Monica (USM). USM offers three Master's degrees all approved by the State of California. He also founded and is President of the Peace Theological Seminary and College of Philosophy, which offers Master of Spiritual Science (M.S.S.) and Doctor of Spiritual Science (D.S.S.) degrees.

John-Roger is a prolific writer, with over 50 books to his name, millions of books in print, and 4 Bestsellers including a #1 *NY Times* Bestseller. His next book, *Loving Each Day for Peacemakers*, will be released in April, 2002, and guides people to finding their own answers to experiencing inner peace. To keep up with his writing, he founded Mandeville Press, an independent publishing house that publishes a contemporary look at ancient wisdom.

In all that he does, he encourages people to

check out for themselves the information he presents, and through their own experience see how it works to bring them more abundance, joy and loving in their lives. He has transformed the lives of many people by educating them in the wisdom of the Spiritual Heart.
